EXPERIENCE

IT Analysis Intern   June 2017 – Sept. 2017
Nationwide – Scottsdale, AZ
- Analyzed data collected from 21 development teams to implement a one-month plan to target and solve internal issues
- Developed test automation scripts in Ruby using Cucumber and Gherkin to validate XML files to schemas
- Worked alongside a developer to create an Agile project management overview that provides scrum masters with the ability to view and update iterations across teams
- Contributed to requirements analysis and software development in Java

Software Engineering Intern   April 2017 – June 2017
Experian – Costa Mesa, CA
- Collaborated with other interns to develop an internal web application to map, validate, and save form data using JSON schemas with the Laravel PHP framework that serves thousands of requests per day
- Contributed to the application's front-end development utilizing Bootstrap
- Constructed requirements documents, software design drafts, and sprint reports to present weekly
- Selected out of twelve teams to showcase our project

Python Lab Tutor   Sept. 2016 - Present
Donald Bren School of ICS – Irvine, CA
- Tutored an introductory Python class of 40 students every quarter to help acclimate students new to computer science
- Consistently achieved above average ratings and positive evaluations from students (9.5/10 average compared to tutor-wide average of 8.5/10)
- Designed pedagogical material to enhance student knowledge
- Developed strong debugging and teaching skills

EDUCATION

University of California, Irvine
September 2015 – June 2019
B.S in Informatics
Major GPA: 3.53   Overall GPA: 3.29

PROJECTS

Chance Me! UC Irvine Edition
chancemeuci.herokuapp.com
- Developed a web application in Django to allow high school seniors to calculate their chances of admission into UC Irvine with a visualization
- Aggregated and cleaned extensive information into .csv files from a data set to provide accurate results

AWARDS

ICS/BRAID Scholarship
- One of four males to receive a scholarship to attend the Grace Hopper Convention as a male ally

INVOLVEMENTS
